Corvettes built from 1968 through 1982 are somewhat unique collector cars for two reasons: 1) They can be purchased at relatively reasonable prices and 2) Their owners tend to be less concerned about absolute authenticity than other car collectors. This interchange manual advises owners of Corvettes from these model years as to which parts can be swapped across model years, as well as which parts from other Chevrolets can be used in their cars. An ideal, all-inclusive reference for owners who want to modify their cars at a nominal cost while expanding their modification options.
