Mit fortschreitender Globalisierung von Waren und Dienstleistungen hält an immer mehr Arbeitsplätzen in Chemie-, Pharma- und Biotech-Branche die englische Sprache Einzug. In der Schule hat man zwar gelernt, sich über Alltagsthemen zu unterhalten, aber wenn es darum geht, dem Kundendienst am Telefon die Fehlfunktion des teuersten Geräts im Labor zu beschreiben, kommt doch so mancher ins Schwitzen. Nach einer Einführung, in der die wichtigsten Besonderheiten der englischen Sprache aus Sicht eines deutschen Sprechers rekapituliert werden, behandelt der Autor in 12 Lektionen Schritt für Schritt den Spezialwortschatz und fachspezifische Sprach- und Schreibformen. Die Themen reichen von mathematischen Ausdrücken über chemische Nomenklatur, Biomoleküle, Versuchstiere und Prozesstechnik bis hin zum Umgang mit Regulierungsbehörden und Audits. Gesprächssituationen wie der Anruf beim Kundendienst, die Vorstellung beim neuen Chef oder das Kundengespräch am Messestand werden analysiert und eingübt. Mit direktem Bezug zur Berufspraxis geht dieser Sprachführer über herkömmliche Englischskurse weit hinaus und bietet wertvolle Hilfe für alle, die im Beruf besser Englisch sprechen wollen. Auch für den fachbezogenen Sprachunterricht an Fachschulen und Hochschulen ist dieses Buch bestens geeignet. Komplett mit Übungen, Tests und Rezepten, wie man die häufigsten Fehler vermeidet.

When you're setting up an online business, you must treat it as just that - a business. So - what sort of business would you like to run? The best place to begin is by picking what you like from the existing successful online business models already out there. You must be prepared to put in the time and effort to reap the rewards. You must be prepared to invest some capital. You want to work in an area you like and you could talk about all day. Make a note of what is selling well and formulate some questions that someone who is interested in this product might ask. Owning and running your own online business is what will give you security and financial reward - as well as motivation to keep going when times are tough. Millionaires today are mostly business owners. Their neighbors and friends usually don't suspect that their fortunes came from an online business - but they respect their wealth. You can join this elite club. Start Today. Get Your Copy Now!

With the minimum wage being what it is and the job opportunities seeming less than ideal, it might seem like a good idea to start making cash on your own terms. This guide will give you 101 ideas for starting your own money-making business. We cover options such as pet sitting, babysitting, and tutoring in great detail. You will learn how to use the Internet to help you make money with options such as surveys, advertising, blogs, and social media. This book not only covers how to make your own money, but it also teaches you how to save it and how to make it grow by creating a budget, all presented specifically with teenagers in mind. This book contains inspiring stories from young adults who have started their own businesses. If you have been hitting the pavement but are coming up short in the job department, all is not lost. With this guide in your back pocket, you can start making money on your own terms without having to depend on your parents.

These New editions of the successful, highly-illustrated study/revision guides have been fully updated to meet the latest specification changes. Written by experienced examiners, they contain in-depth coverage of the key information plus hints, tips and guidance about how to achieve top grades in the A2 exams.

Filled with the latest information on Facebook, LinkedIn, YouTube, and other key social-media sites, this all-purpose guide provides specific strategies and tactics that focus on building business. In addition to marketing and PR, this resource addresses recruiting, risk management, cost, and other key business issues. Marketing, sales, public relations, and customer-service professionals within any business will learn how to save time and develop a weekly checklist of social-media priorities, connect social-media sites together, attract the right job candidates, and help improve customer satisfaction and brand loyalty. Keeping a close eye on return-on-investment, this clever resource promises to help market-savvy businesses outpace their competition.

Imagine that it's the 1950s, and you are in charge of developing the U. S. interstate system. There are countless roads already in use. The system can go in numerous different directions. Where do you begin? Starting to transform your business with SAP NetWeaver is that daunting. NetWeaver is both an application platform and an integration platform. It integrates your current IT systems to enable portals, collaboration, data management, and development environments. To grasp the complexities and possibilities of SAP ASAP, dig in with SAP NetWeaver For Dummies and explore: MySAP Business Suite SAP Enterprise Planning Resource (ERP), Customer Relationship Management (CRM), Supply Chain Management (SCM), Human Capital Management (HCM), Product Lifecycle Management (PLM), Supplier Relationship Management (SRM), and more Mobile Infrastructure that performs like a universal translator for mobile interfaces, including laptops, wireless phones, and PDAs Master Data Management, including using the content consolidation technique to "clean up" data, master data harmonization to distribute it, and central master data management to maintain a data repository Web Application Service and NetWeaver Developer Studio—tools that let you integrate and create your own customized applications Written by Dan Woods, former CTO of The Street.com and CapitalThinking, and Jeffrey Word, the Director of Technology Strategy for SAP, this guide features real-life stories from businesses and examples of typical uses to help you cut through the complexities and get up and running. It includes a CD-ROM with: Detailed white papers and product overviews Stores from customers using SAP NetWeaver today Demos that show SAP NetWeaver in action A directory of resources for additional information Like that interstate system, SAP NetWeaver doesn't have to be integrated all at once. You choose the applications that have the most potential to benefit your company's operations and bottom line. SAP NetWeaver For Dummies even gives you recommendations for rolling it out and suggests practical ways to get started and get quick returns on your SAP investment. Then you're going full-speed ahead on the road to success!

Finally there is a complete and up to date resource for the small business owner. Tired of high legal and consulting fees? This new book is your answer. Detailed are over 300 common questions employers have about employees and the law; itâe(tm)s like having an employment attorney on your staff. Topics include: equal employment opportunity, age discrimination, Americans with Disabilities Act (ADA), workers or applicants with AIDS, unacceptable job performance, termination, substance abuse, drug and alcohol testing, safety, harassment, compensation policies, job classifications, recordkeeping, overtime, employee performance evaluations, wage and salary reviews, payroll deductions, reduction in wages, pay periods, payroll advances, wage garnishment, severance pay, unemployment compensation, operating policies, ethical standards, open-door policy, suggestions and customer feedback, smoke-free workplace, dress code, work schedule, flexible scheduling, telecommuting, absenteeism, tardiness, confidentiality, employee privacy, electronic communication, responsible use of equipment, e-mail and Internet, prohibited content, copyrighted materials, responsible use of cell phones, security procedures, telephone usage, use of company vehicles, solicitation for outside causes, outside employment, personnel files, release of information, access to files, possession of weapons, improper personal conduct, company benefits, time off, holidays, vacations, sick leave policies, bereavement, jury duty, education and training, leaves of absence, Family and Medical Leave Act, personal or medical leaves not required by law, military leave, insurance, on-the-job accidents or injuries, medical/life insurance, flexible benefit plans, pension, and profit sharing. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company presidentâe(tm)s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Ned Ryerson. That's who a lot of people picture when they think of insurance agents. Don't remember Ned? Sure you do. He was the "cheesy" insurance agent from the Bill Murray classic Groundhog Day. In Ned, we see examples of what can go so horribly awry with the insurance sales process - someone who gets people to sign on the dotted line because it's the only way they can escape him, someone who is far more of a salesman than a trusted advisor, and of course, someone who is living commission-to-commission, putting his own survival above his clients' needs. The reason all these things make Ned our "anti-mascot" is that if you fail to grasp the danger of these things, you'll undoubtedly place major obstacles between you and your career goals. Starting of course, with your quest to pass the licensing exam. Thus, the goal of this book is twofold. First and foremost, I want to help you pass the exam, and do so by a wide margin. I don't want it to be even close. I want your state's insurance commissioner to be so blown away by your score that he takes your exam home and hangs it up on his refrigerator. But second, I want this book to become the basis for your career. I want it to help shape the way you approach insurance sales so that you not only help protect others against loss, but protect yourself (and your hard-earned license) as well. Even more, I want it to protect you against an average career. I want this book to help insure your financial success. Interested? If you are, then you're in for some exciting lessons about insurance theory, products, and sales. I'll share with you both the practical and conceptual knowledge you need to get to where you want to go.
