\*\*\*THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER\*\*\* An NPR Book of the Day Picking up where the New York Times bestselling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of

Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

New York Lieutenant Eve Dallas is up against a hit-man for the elite, whose next target may be her own husband, Roarke.

A Christian Science Monitor Best Book of the Year From the award-winning author of *Waiting and War* *Trash*: a riveting tale of espionage and conflicted loyalties that spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home, *A Map of Betrayal* is a spy novel that only Ha Jin could write. From the Hardcover edition.

The coauthor of *Being Intimate* discusses the impact of betrayal on personal relationships and explains how couples can overcome anger, jealousy, shame, and other negative emotions to reaffirm personal worth and promote healing. Original.

In *The Death of the Grown-Up*, Diana West diagnosed the demise of Western civilization by looking at its chief symptom: our inability to become adults who render judgments of right and wrong. In *American Betrayal*, West digs deeper to discover the root of this malaise and uncovers a body of lies that Americans have been led to regard as the near-sacred history of World War II and its Cold War aftermath. Part real-life thriller, part national tragedy, *American Betrayal* lights up the massive, Moscow-directed penetration of America's most hallowed halls of power, revealing not just the familiar struggle between Communism and the Free World, but the hidden war between those wishing to conceal the truth and those trying to expose the increasingly official web of lies. *American Betrayal* is America's lost history, a chronicle that pits Franklin Delano Roosevelt, Harry Truman, Dwight David Eisenhower, and other American icons who shielded overlapping Communist conspiracies against the investigators, politicians, defectors, and others (including Senator Joseph McCarthy) who tried to tell the American people the truth. *American Betrayal* shatters the approved histories of an era that begins with FDR's

first inauguration, when "happy days" are supposed to be here again, and ends when we "win" the Cold War. It is here, amid the rubble, where Diana West focuses on the World War II--Cold War deal with the devil in which America surrendered her principles in exchange for a series of Big Lies whose preservation soon became the basis of our leaders' own self-preservation. It was this moral surrender to deception and self-deception, West argues, that sent us down the long road to moral relativism, "political correctness," and other cultural ills that have left us unable to ask the hard questions: Does our silence on the crimes of Communism explain our silence on the totalitarianism of Islam? Is Uncle Sam once again betraying America? In *American Betrayal*, Diana West shakes the historical record to bring down a new understanding of our past, our present, and how we have become a nation unable to know truth from lies.

Muna and her three sisters were happy children, growing up in Newport South Wales with their English mother and Arabic father. But in 1972 her mother disappeared, setting in motion a chain of events which would forever shatter her seemingly loving family. The young girls would later learn that she had been murdered by their own father. Traumatized and confused, Muna and her sisters were taken abroad under the guise of a holiday, unaware of the horrors that lay ahead. Betrayed by the one person left to protect them, the sisters were unwittingly sold as child brides by their father. Suffering 17 years of horrific abuse at the hands of her father and others, Muna watched helplessly as, one by one, those she loved the most were torn from her, in the most tragic of circumstances. *A Father's Betrayal* is the unbelievable true story of Muna's desperate battle for survival, on a devastating journey which claimed the lives of her mother and sister, and changed her own life forever.

It's a loving spouse's worst nightmare: standing by, helpless, as your partner seeks sexual attention from others—a discovery that quickly turns to shame and regret. If only you were prettier or more exciting, maybe you could keep his attention. If only you earned more money, maybe she would be attracted to you. But the truth is that, for many, online and real-life infidelity is an addiction—a compulsive need for other sexual partners, as intoxicating as any bottle or pill. And with the rise of websites and smartphone apps, getting the next fix is often just a click or screen tap away. Author Jennifer P. Schneider, MD, broke new ground in *Back from Betrayal* as one of the first to address sex addiction in relationships, as well as the traumatic experiences faced by the partners of men and women who compulsively lie and cheat. Now in its fourth edition, the book is updated to reflect the latest knowledge regarding infidelity and contains chapters covering the unique challenges of sex addiction in the digital age. Now more than ever, Schneider provides a voice for those struggling with this devastating issue—and offers much-needed hope toward recovery and healing.

A revised edition of the author's classic study on the traumatic effects of incest.

Doctor Jonathan Ransom, who is married to an undercover spy who has gone rogue, is catapulted into the shadowy world of double and triple agents, where his life becomes dependent on his discovery of his wife's true loyalties.

This is the story of the greatest con in financial history—one that has commanded

## Online Library Betrayal

the attention of the entire world from the day the news broke on December 11, 2008. Bernard Madoff's financial scheming roped in thousands of victims, ranging from boldfaced names—Steven Spielberg, Mortimer Zuckerman, Kevin Bacon, Elie Wiesel—to ordinary people who saw their nest eggs disappear in a smoke-and-mirrors debacle. The Enron machinations pale beside the havoc that Madoff created in people's lives. Who is this Bernie Madoff? A shady con man? A sociopath? An evil genius? Who was in on it with him? And where is the money? The established expert on the Bernie Madoff case, journalist Andrew Kirtzman offers a riveting analysis of the man and his deeds that is filled with solid research and suspenseful storytelling.
