Have a ball with Dr. Seuss and the Cat in the Hat in this classic picture book...but don't forget to clean up your mess! A dreary day turns into a wild romp when this beloved story introduces readers to the Cat in the Hat and his troublemaking friends, Thing 1 and Thing 2. A favorite among kids, parents and teachers, this story uses simple words and basic rhyme to encourage and delight beginning readers. Then he said "That is that." And then he was gone With a tip of his hat. Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like The Lorax and Oh, The Places You'll Go!, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!

"'La frontera'...I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one palce home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

difficult, sometimes dangerous work of recovering fragments of human story that have gone missing from the official versions. Michael Riordon has thirty years' experience as a writer and broadcaster in the field. Readers will encounter a gallery of brave, passionate people who gather silenced voices and lost life stories. The canvas is broad, the stakes are high: the battles for First Nations lands in Canada; environmental justice in Chicago; genocide in Peru; homeless people organizing in Cleveland; September 11/01, and after, in New York City; gay survivors of electroshock in Britain; the struggle to preserve a people's identity in Newfoundland; peasant resistance to a huge transnational gold mine in Turkey.

The definitive picture book biography of Dr. Anthony Fauci, the director of the National Institute of Allergy and Infectious Diseases and one of the most crucial figures in the COVID-19 pandemic. Before he was Dr. Fauci, director of the National Institute of Allergy and Infectious Diseases, Anthony Fauci was a curious boy in Brooklyn, delivering prescriptions from his father's pharmacy on his blue Schwinn bicycle. His father and immigrant grandfather taught Anthony to ask questions, consider all the data, and never give up—and Anthony's ability to stay curious and to communicate with people would serve him his entire life. This engaging narrative, which draws from interviews the author did with Dr. Fauci himself, follows Anthony from his Brooklyn beginnings through medical school and his challenging role working with seven US presidents to tackle some of the biggest public health challenges of the past fifty years, including the COVID-19 pandemic. Extensive backmatter rounds out Dr. Fauci's story with a timeline, recommended reading, a full spread of facts about vaccines and how they work, and Dr. Fauci's own tips for future scientists.
