An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

With the challenge complete and the corrupt Alpha of Coldspring, defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites ... but Jacque will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever.

Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

Begin the award-winning Grey Wolves Series with the first three books: Prince of Wolves, Blood Rites, and Just one Drop. The Grey Wolves Series follows the adventures of three high school seniors, Jacque, Jen, and Sally, as the girls are introduced to the hidden world of the Romanian grey wolves. The grey wolves' universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates. It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world. But destiny won't be fulfilled without a fight. Female Canis lupus are few and far between, and sinister dominant wolves will rise to challenge for the right to mate with these new, unique females. The ensuing chaos will undermine the strength of the packs, just when a new threat to the Canis lupus world emerges, one that can only be defeated by the strength that comes from the special union of true mates.

Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attended a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Angheluseu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the feisty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources – including Sally Morgan, the new gypsy healer of the Romanian pack – to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia – with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupus species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupus, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender – who happens to be a member of the Romanian pack. If all that weren't enough, the Fates have decided to pay a little visit to Jen. It's time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It's more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

Jacque's mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn't have to worry about rabid, child-snatching vampires and the carnage they'd caused to so many innocent families. But something kept her here, tethered to this world, something she couldn't quite remember hovered just on the edge of her consciousness, something vital. It wasn't Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn't have it any other way. She could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque's survival? Jacque was starting to remember someone else—someone that depended on her. A brand new life, precious and perfect...her son. Costin's best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral would at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her the huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant, who had no idea who or what she was, didn't stand a chance.
