The C-12 is the same thing as a 3406 E. One thing I found out about them is that if you ever need to rebuild one of them to go ahead and do the lifters at the same time. According to CAT that is a weak area for that engine. I have one with over 800,000 miles that is still going strong. Another was rebuilt with about 900,000 on the engine.
