In this book, author Elder William D. Holmes gives an account of life of the church, how strong Christians used to be, and how that people live for God with all their hearts, soul, and mind. They conducted themselves as people of God in the way they dressed and live holy free from sin among the sinners. They fasted, prayed, and testified and were saved, sanctified, baptized, and filled with the Holy Ghost and fire. Robert Berglund says a worship service is not a concert time. It is not an hour of entertainment. It is a time to worship God in spirit and in truth. In the Christian realm, however, the worship service seems to be a musical battleground. On one hand, church music is seen as utilitarian. Its only purpose is to allow worship to begin or continue throughout a church service. On the other hand, music can exist purely for entertainment. But is a worship service the place for entertainment? Shouldn't a worship service be designed only to worship God? *A Philosophy of Church Music* presents an integrated look at church music. Theological, philosophical, and psychological responses to the question of appropriate and consistent church music are considered to assist you in developing your personal church music philosophy. - Jacket.
