"One minute, 26-year-old Tegan Lawson has everything she could hope for, including an adoring husband, Gabe, and a baby on the way. The next, a patch of black ice causes a devastating accident and Tegan's life is as shattered as the car they had to cut her out of. With the loss of her baby and her unbearable anger towards Gabe, who was driving that night, Tegan is drowning in grief. After a handful of sleeping pills land her in the hospital, lucky to be alive, her family's fear and Gabe's commitment to fix things prompts Tegan to make a change. At Gabe's suggestion, she agrees to travel to three destinations from their 'life experiences' wish list. From culture-rich Thailand, to the flavors of Italy, to the ocean waves in Hawaii, Tegan and Gabe embark on a journey to escape the tragedy and to search for forgiveness. But Tegan soon learns grief follows you no matter how far away you go, and that acceptance comes when you least expect it. When things take a shocking turn in Hawaii, Tegan is forced to face the truth -- and she must decide if the life she has is the one she wants"-- from author's web site.

Come From Away: Welcome to the Rock - a fully illustrated companion volume to the hit Tony Award-winning Broadway musical, featuring the book and lyrics for the first time in print, backstage stories and the real history behind the show's events, character design sketches, and songs that ended up on the cutting room floor. The Tony Award-winning Broadway musical Come From Away tells the remarkable true story of a small town that welcomed the world. On September 11, 2001, 38 planes and 6,579 passengers were forced to land in the provincial town of Gander, Newfoundland. The local residents opened their arms to the displaced visitors, offering food, shelter, and friendship. In the days that followed, cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships. Come From Away: Welcome to the Rock is the ultimate companion piece to Irene Sankoff and David Hein's smash-hit musical based on that extraordinary experience. Featuring the complete book and lyrics for the first time in print, a foreword by Canadian Prime Minister Justin Trudeau, and exclusive photos of the company and physical production, this essential companion also includes original interviews with passengers, Gander residents, and the actors who portray them. The narrative by theater historian Laurence Maslon details the events of that memorable and challenging week and also traces the musical's development from the ten-year reunion of residents and airline passengers in Gander, where the idea for the musical was born , to the global phenomenon it is today. Come From Away: Welcome to the Rock gives an unprecedented look behind the curtain and demonstrates why the story has touched so many so deeply: Because we come from everywhere, we all come from away.
