Nana Agyeman Duah JR.: INDUSTRIAL ATTACHMENT REPORT

In writing a full-length engineering report, you should start with a report outline, then proceed to a rough draft. The outline defines the organization of the report, and the rough draft serves to avoid omissions. Once the content is established, the rough draft is refined for clarity and conciseness.

ENGINEERING REPORT WRITING

The Attachment Day 1 here wasn't a walk in the park. After reporting to the station work started immediately. Since the station spans a great area, transport between the two major stations is hard to come by. Today I was stationed at Olkaria 2 - Engineering and Logistics Section where the actual drilling takes place.
