Should be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sybil knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

BLOOD REIGN Bridget was an orphan girl raised by wulvers in a secluded wilderness temple to be its priestess and guardian, but now the outside world has found her. Griff is the Red Wulver, the prophesize liberator of his pack, and finds Bridget in his way-an obstacle he's not sure he wants to overcome.

Kirstin has never been out of her den before, but now one of her pack is seriously injured-he may even be dying. Desperate to help, she races straight to Middle March, the borderland between Scotland and England, and falls right into a dangerous trap. As the new laird of his clan, Donal MacFalon has made it clear that he, unlike his brother before him, will honor the wolf pact, an agreement their father made with England's King Henry VII to protect Scotland's wolf shifters, the wulvers, who most believe to be only the stuff of legend. Wulvers, though, are very real. Kirstin knows. She's one of

them. When Donal MacFalon turns those steel blue-grey eyes her way, she realizes she's facing something far more dangerous in this man than any trap. This man, already promised to another, has a power over her no man or wulver has ever had before.

When he opens his castle and his heart to her, she finds herself willing to risk not only her own heart, but everything she's ever known, just to be with him. Kirstin will find herself caught--between the man she loves and his intended bride, between her pack and a human world frightened of her kind, between nations whose hatred runs deep. Kirstin will be forced to make choices no woman, or wulver, should ever have to make. All for one man, whose love goes beyond borders, nations, or legends, whose heart beats only for her.

He's big. He's bad. And he only wants one thing. Revenge. Ric Ryker spent years being

But after a secret journey of transformation, he's back--ready to take over leadership from his father at Ryker Arms--with an impressive new physique and a plan to prove them all wrong. Especially her. The one woman who hurt him the most. Annalesa--sweet, smart, stunning. And his stepsister. The girl he could never have. The girl who wouldn't look twice at him anyway--especially in front of her stuck-up friends. Now he's going to make her want him. Show her just what she was missing. And hurt her, just like she hurt him. He's got the weapon and he's taken aim--but he didn't count on his own heart getting caught in the crossfire.

He left her like he leaves them all-with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret she's been forced to keep for years. Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. “ You two rubbing up against each other, seeing your red little dress riding up and up, ” he

whispered, his hand pushing my dress up further as he sought higher ground on my leg. “ You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering. ” I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. “ I wanted to fuck you right there on the dance floor, ” he growled against my neck, biting and sucking at my flesh. “ I wanted to fuck you both. ” I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me

but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again,

moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.
