As author Uell Stanley Andersen (1917- 1986) will show you in the pages of Three Magic Words, you will learn of the unlimited power that is yours, in you. You will learn how you can turn this power to work for you, here on earth, to make your life majestic and overflowing with good. Three Magic Words is not a religion or a sect or a society. In its entirety it is a series of essays aimed at revealing to you your power over all things. You will learn that there is only one mover in all creation and that mover is thought. You will learn that there is only one creator and that creator is the Universal Subconscious Mind, or God. You will learn that this creator creates for you exactly what you think, and you will be shown how you can control your thoughts, not only to obtain answers to your problems but to create in your experience exactly what you desire.

If you love magic and adventure, here is the book for you. The third novel of the acclaimed Sun Sword series returns to a war-torn world of noble houses divided and demon lords unleashed... In the Dominion, those allied with the demons of the Shining Court feared the bargain they'd made. For to the kialli, betrayal was a way of life, and every action was a means to gain greater power. And as the Festival of the Moon approached, the demon kin began to prey upon those in the Tor Leonne. But more frightening than their presence was their [👉](#)gift![👉](#) for the Festival, masks created not by human craftsmen, but by the kialli. Even the magic and knowledge of the greatest of the Dominion's Widan had been unable to discern what trap the masks contained! and time to discover and avert this menace was running out.... In the Empire, the armies were mobilizing for war. But before they carried the battle to the Dominion, Seer Jewel A Terafin would be forced to follow her own destiny. For what she'd seen in vision, she could not deny. And so Jewel, with only Avander to guard her back, would abandon House Terafin on the eve of its greatest peril and journey into the darkness which was fast overshadowing the mortal lands.... And among the Voyani, the moment had come to make their final stand against Allasakar, Lord of the Hells, for they alone had kept to the old ways, guarding the ancient knowledge. But hounded by their enemies, and with one their greatest treasures hidden in the Tor Leonne, could they withstand the power of the Shining Court?

Now in a 2-in-1 volume, revisit the magic of the Five Hundred Kingdoms, witty retellings of the fairy tales you thought you knew, by New York Times bestselling author Mercedes Lackey. The Sleeping Beauty In Rosamund's realm, happiness hinges on a few simple beliefs. For every princess there's a prince. Stepmothers should never be trusted. And bad things come to those who break with Tradition. But when Rosa is pursued by a murderous huntsman and then captured by dwarves, her beliefs go up in smoke. Determined to escape and save her kingdom, she agrees to one of her stepmother's risky incantations! Beauty and the Werewolf The eldest daughter is often doomed in fairy tales. But Bella vows to escape the usual pitfalls. Anxious to avoid the Traditional path, Bella dons a red cloak and ventures into the forbidden forest to consult with [👉](#)Granny,[👉](#) the local wisewoman. But on the way home she's attacked by a wolf! who turns out to be a cursed nobleman!
