In her paper Dries notes that: "An inclusive perspective on talent departs from the assumption that all people are talented, but in a different way; an exclusive perspective, on the other hand, is built on the premise that some people are inherently more talented (and thus more valuable) than others - at least within the organizational context".

Talent Assessment - Should You Be Inclusive Or Exclusive?

Talent management seeks to attract, identify, develop, engage, retain and deploy individuals who are considered particularly valuable to an organisation. It should align with business goals and strategic objectives. By managing talent strategically, organisations can build a high performance workplace, encourage a 'learning' organisation, add value to their employer brand, and improve diversity management.
