Experience the international fantasy sensation that is the Inheritance Cycle with this complete collection of the New York Times bestselling series! For the first time, here are all four books in one ebook collection. One boy, one dragon, and a world of adventure come together in this four-book boxed set collection that makes a perfect gift for fantasy fans. Eragon Fifteen-year-old Eragon believes that he is merely a poor farm boy—until his destiny as a Dragon Rider is revealed. Eragon is soon swept into a dangerous tapestry of magic, glory, and power. Now his choices could save—or destroy—the Empire. Eldest Eragon must travel to Ellesmera, land of the elves, for further training in the skills of the Dragon Rider: magic and swordsmanship. But chaos and betrayal plague him at every turn, and nothing is what it seems. Before long, Eragon doesn't know whom he can trust. Brisingr There is more adventure at hand for the Rider and his dragon, as Eragon finds himself bound by a tangle of promises he may not be able to keep.When unrest claims the rebels and danger strikes from every corner, Eragon must make choices that may lead to unimagined sacrifice. Inheritance Long months of training and battle have brought victories and hope, but they have also brought heartbreaking loss. Eragon and Saphira have come further than anyone dared to hope. But can they topple the evil king and restore justice to Alagaësia? And if so, at what cost? The boxed set features interlocking art that reveals an image across the spines of all four books! And don't miss the most recent book set in Eragon's world, The Fork, the Witch, and the Worm: Tales from Alagaësia! "Christopher Paolini is a true rarity." --The Washington Post

The New York Times bestselling author of the classic Shannara epic, Terry Brooks, has proven himself one of the modern masters of fantasy, brilliantly creating breathtaking worlds of magic, adventure, and intrigue. Now, for the first time in one marvelous collector's edition hardcover, here's the complete trilogy of the Voyage of the Jerle Shannara: Ilse Witch, Antrax, and Morgawr. In these enchanting novels, a colorful contingent of characters takes to the skies aboard a magnificent airship–the Jerle Shannara–on a quest fraught with wonder and danger. Ilse Witch A half-drowned elf carries a map covered with cryptic symbols–and Walker Boh, the last of the Druids, has the skill to decipher them. But someone else understands the map's significance: the ruthless Ilse Witch, who will stop at nothing to possess it–and the powerful magic it leads to. Antrax While in search of the elusive magic, Walker Boh is lured into a trap–caught in a dark maze beneath a ruined city, stalked by a hungry, unseen enemy. It is Antrax: a spirit that feeds off enchantment and traps the souls of men. Now the fate of the Four Lands hangs in the balance. Morgawr The intrepid heroes aboard the Jerle Shannara have reached their breaking point. A centuries-old sorcerer, the Morgawr, vows to find and control the fabled ancient books of magic–and he is an adversary of awesome might with a fleet of airships and a crew of walking dead men at his command. In The Voyage of the Jerle Shannara, Terry Brooks weaves together high adventure, vividly wrought characters, and a spellbinding world into an irresistible story of heroism and sacrifice, love and honor.

For fans of Maggie Stiefvater and Laini Taylor, a perfect storm lies ahead in this riveting fantasy duology opener from award-winning author Elle Cosimano. One cold, crisp night, Jack Sommers was faced with a choice—live forever according to the ancient, magical rules of Gaia, or die. Jack chose to live, and in exchange, he became a Winter—an immortal physical embodiment of the season on Earth. Every year, he must hunt the Season who comes before him. Summer kills Spring. Autumn kills Summer. Winter kills Autumn. And Spring kills Winter. Jack and Fleur, a Winter and a Spring, fall for each other against all odds. To be together, they'll have to escape the cycle that's been forcing them apart. But their creator won't let them go without a fight.

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

ERAGON When Eragon finds a polished stone in the forest, he thinks it is a lucky discovery - perhaps it will buy his family meat for the winter. But when the stone becomes a dragon hatchling, Eragon soon realizes he has stumbled upon a legacy nearly as old as the Empire itself. Overnight his simple life is shattered and he is thrust into a perilous new world of destiny, magic and power. With only an ancient sword and the advice of an old storyteller for guidance, can Eragon take up the mantle of the legendary Dragon Riders? ELDEST Eragon and his dragon, Saphira, have just saved the rebel state from destruction by the mighty forces of King Galbatorix, cruel ruler of the Empire. Now Eragon must travel to Ellesméra, land of the elves, for further training in magic and swordsmanship, the vital skills of the Dragon Rider. It is the journey of a lifetime, filled with awe-inspiring new places and people, each day a fresh adventure. But chaos and betrayal plague him at every turn, and as his cousin Roran fights a new battle back home in Carvahall, Eragon is put in even graver danger. . .

For the first time in one elegant collector's edition hardcover, and featuring an introduction by New York Times bestselling author Terry Brooks, here are the first three novels of that classic series: The Sword of Shannara, The Elfstones of Shannara, and The Wishsong of Shannara—the beginning of a phenomenal epic of good and evil. The Sword of Shannara Long ago, the wars of the ancient Evil ruined the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. But the supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. The Elfstones of Shannara The magical Ellcrys tree is dying, loosening the spell that bars the Demons from enacting vengeance upon the land. Now Wil Ohmsford must guard the Elven girl Amberle on a perilous quest as she carries one of the Ellcrys' seeds to a mysterious place where it can be quickened into a powerful new force. But dark on their trail comes the Reaper, most fearsome of all Demons, aiming to crush their mission at any cost. The Wishsong of Shannara An ancient Evil is stirring to new life, sending its ghastly Mord Wraiths to destroy Mankind. To win through the vile growth that protects this dark force, the Druid Allanon needs Brin Ohmsford—for she alone holds the magic power of the wishsong. Reluctantly Brin joins the Druid on his dangerous journey. But a prophecy foretells doom, as Evil nurses its plans to trap the unsuspecting Brin into a fate far more horrible than death. Thus begins Terry Brooks's thrilling Shannara epic, an unforgettable tale of adventure, magic, and myth. BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

The theme of the conference this year was Critical CALL, drawing inspiration from the work carried out in the broader field of Critical Applied Linguistics. The term 'critical' has many possible interpretations, and as Pennycook (2001) outlines, has many concerns. It was from these that we decided on the conference theme, in particular the notion that we should question the assumptions that lie at the basis of our praxis, ideas that have become 'naturalized' and are not called into question. Over 200 presentations were delivered in 68 different sessions, both in English and Italian, on topics related specifically to the theme and also more general CALL topics. 94 of these were submitted as extended papers and appear in this volume of proceedings.

The further adventures of Eragon and his dragon Saphira as they continue to aid the Varden in the struggle against the evil king, Galbatorix.

Relish the incomparable imagination of Christopher Paolini in this thrilling collection of stories based in the world of Eragon and the internationally bestselling Inheritance Cycle. A wanderer and a cursed child. Spells and magic. And dragons, of course. Welcome back to the world of Alagaësia. It's been a year since Eragon departed Alagaësia in search of the perfect home to train a new generation of Dragon Riders. When a vision from the Eldunarí, unexpected visitors, and an exciting Urgal legend surface, Eragon is faced with a much-needed distraction that may lead to a new perspective. This volume features three original stories set in Alagaësia, interspersed with scenes from Eragon's own unfolding adventure. Included is an excerpt from the memoir of the unforgettable witch and fortune-teller Angela the herbalist . . . penned by Angela Paolini, the inspiration for the character, herself! Also includes four new pieces of original art by the author. "Christopher Paolini is a true rarity." --The Washington Post

The time of Carnival represents a "wild" time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.
