From the New York Times bestselling author of the Billionaire Bad Boys series comes the conclusion to the hilarious Chandler Brothers series. As the eldest of three rebel-rousing brothers, Chase Chandler has waited a long time to leave his small-town roots behind. All bets are off when the single journalist meets a redhead who arouses a lot more than lust. Yet Sloane Carlisle isn't just any woman. She's a senator's daughter who is about to thrust him into the eye of a breaking political scandal-and a shot at a story that's already making headlines. All Chase has to do for an exclusive is keep her out of harm's way. A woman who refuses to play the Washington game, Sloane has just been hit with a bombshell that calls her entire identity into question. Feeling vulnerable, she does something completely out of character: She spends an incredible, passionate night with a handsome stranger. The last thing she expects is to ever see him again. But when she goes to the Chandlers' hometown of Yorkshire Falls to uncover the truth about her family, there he is! Not only that, her sometime amour Chase Chandler is sticking closer than a Capitol Hill groupie and igniting more sparks than the Fourth of July. Suddenly a guy who has always steered clear of marriage is falling for a serious-minded woman with a family secret that could land them both in danger. If they survive the fallout, what will it take to get Sloane to say the two words that could turn the town's most eligible bachelor into the world's sexiest spouse?

A text for a first graduate course in real analysis for students in pure and applied mathematics, statistics, education, engineering, and economics.

Designed for the lowest-ability Key Stage 3 students, this English series provides structured coverage of grammar, punctuation, spelling and vocabulary development. For each year there is a student book (of which this one is for Year 9), a pack of eight skills books and a teacher's resource file.

Macram é at Home is the easy way for anyone to add an earthy, boho vibe to their homes with 20 gorgeous décor projects, including a variety of wall hangings, unique plant hangers, a rug, hanging light, pillow, floor pouf and more. An ancient fiber art, macramé utilizes knots and cotton rope in intricate patterns. Many people remember macramé's widespread popularity in the 70s, and with the "back to nature" movement, it's made a modern-day comeback among young people. Cotton-corded macramé planters and wall hangings can be found in Urban Outfitters, Anthropologie, West Elm and Etsy shops. Now you can make you own décor at the same quality level as these high-end retailers but with a unique artisanal flair, thanks to Natalie Ranae's stunning creations shared in this book.With beginner-friendly step-by-step projects and a helpful guide to common macramé knots, anyone can pick up this craft and get impressive results from their first project. A huge appeal of macramé is how easy it is to get a variety of different looks with a few basic techniques, so each of the 20 impressive designs features a variation at the end, giving readers endless inspiration to adapt the projects in new ways. Readers will be amazed at how easy it is to create stunning works of art that add a special touch to their home décor. This book has 40 macramé designs, including 20 illustrated step-by-step tutorials each with a variation option.

A team of city-building professionals explain in straightforward terms how the idea of ecological sustainability can be embodied in the everyday life of homes, communities and cities to make a better future.The book considers - and answers - three questions: What does the global agenda of sustainable development mean for the urban spaces where most

"Providing a wealth of practical interventions and activities - all organized within a state-of-the-art modular framework - this invaluable book helps child clinicians expand their intervention toolkits. Building on the bestselling Clinical Practice of Cognitive Therapy with Children and Adolescents, which addresses the basics of treatment, Friedberg et. al., in their latest volume, provide additional effective ways for engaging hard-to-reach clients, addressing challenging problems, and targeting particular cognitive and behavioral skills. Fun and productive games, crafts, and other activities are described in step-by-step detail. Special features include over 30 reproducible forms and handouts, which bookbuyers can also download and print from Guilford's website in a convenient full-page size."--Pub. desc.

It all began with a sixth shot of Tequila ... Independent, carefree Annessa Dupree knows she has a knack for attracting trouble but doesn't realize her true talent until she witnesses a wedding day murder. Armed with the terrible secret, running home is her only option. Sheriff Casey McIntyre has loved Annessa since the tender age of twelve, trouble and all. Hell-bent on mending past differences between them, he welcomes her home with open arms. When Annessa is forced to reveal the real reason for her return, Casey must save her life while earning her trust.

A unique behind-the-scenes approach to show how a world-famous photographer works on location and in his studio. Whether landscapes, portraits, architecture, still-life or action shots, each photo's set-up diagram shows the location and where the lights, reflectors and other equipment were placed to take the finished picture. Comparative photographs show how changes of angle, lighting or composition will give dramatically different results.
