My fake boyfriend is better than yours Romance. Seventh grade was supposed to be fun, but tori is having major drama with her BFF sienna. Sienna changed a lot over the summer, on the first day of school she's tan, confident, and full of stories about her new dreamy boyfriend. Tori knows that she's...

My fake boyfriend is better than yours - About Antonio and ...

My Fake Boyfriend is Better Than Yours was so cute and such a quick read. Tori hasn't talk to her BFF in a few weeks and is worried that their friendship will be over. That is until she comes up with a new idea. I think that is reasonable to what happened in middle school.

she's tan, confident, and full of stories about her new dreamy boyfriend. Tori knows that she's totally making this guy up. So Tori invents her own fake boyfriend, who is better than Sienna's in every way. Things are going great—unless you count the whole lying-to-your-best-friend thing—until everyone insists Tori and Sienna bring their boyfriends to the back-to-school dance.

He's absolutely perfect. If only he were real. Lane and Vivi have had it with Isabelle Hunter's boyfriend, Shawn Littig (a.k.a. Sluttig). He is the only person who can turn their smart, confident best friend into a complete mess. When Shawn Sluttig cheats on and dumps Izzy just months before the prom she's been planning since the ninth grade, Lane and Vivi decide to take action. With a few quick keystrokes, they create a MySpace page for "Brandon," the perfect guy to get Izzy out of her revolving-door relationship with Shawn. Too bad he's totally fake. Vivi's younger brother, Marshall, who they hire to be the "man" behind the profile, is way too into being Izzy's fake boyfriend. So they turn to cute, prep-school Jonathan to be the face of Brandon. But when Vivi falls for Jonathan, and Sluttig tries to wedge his way back into Izzy's prom picture, the whole plan starts to go south faster than you can say "fake boyfriend."

Moving hundreds of miles to escape the rumors her ex-boyfriend started about her, Autumn is devastated to find the rumors beat her to her new school. Great. But she has a plan. Fake dating the most popular guy in school should be enough to stomp out at least most of the rumors--IF she can convince him to go along with it. After a major fall out with his last girlfriend, Blake Pearson has written off dating. He needs to focus on his grades and sports, and girls are a distraction he can do without. Until the new girl hides out in the back of his car. Suddenly, he's more than intrigued with the doe-eyed beauty and her crazy offer--he's falling for her, but falling for her was never part of the plan!

I'm a pretty simple guy. When I'm not writing a science fiction novel, I'm watching a good movie or reading a book. Alone. I like my reclusive life. That is, until my only friend asks for a favor—pretend to be his baby sister's boyfriend on a couples' getaway. Her ex is going to be there and she needs me as a buffer. I should have said no, but Naomi is bubbly, energetic, and beautiful. She also means everything to her brother. But now, our fake romance is starting to feel all too real, and I find myself stuck between the promise I made to my friend and risking my heart to the one woman who might actually get me...

What's the first rule of having a fake boyfriend? Don't catch feelings. Especially if he's the guy of your dreams... I should've known better than to rise to the bait. But I was sick of being called undateable by Edendale High's mean girls. So I told them I had a boyfriend. The problem? I lied. And now they're doing everything they can to prove it. It looks like my time is up. Until I meet Wes Adams. Handsome, funny, and the state's most coveted quarterback, Wes is a total catch -- and he's newly single. He also happens to be working with me at Legacy Inn this summer. When Wes proposes a fake relationship, it seems like the perfect answer to both of our problems: I help make his ex jealous, and he pretends to be my boyfriend in front of the girls from school. But, the more time we spend together, the more I realize I have an even bigger problem: If dating Wes is supposed to be fake, why does it feel so real? Fall in love with *The Summer I Fell for My Fake Boyfriend*, a standalone summer romance set at Legacy Inn. If you like quirky and smart heroines, adorable dates, and perfect first kisses, you'll love Sara Jane Woodley's sweet romances.

Maddox The reason I rarely go home is three simple words: I'm a liar. When the pressure to marry my childhood sweetheart became too much, I told her I was gay and then fled to New York like my ass was on fire. Now, five years later and after a drunken encounter, I find myself invited to her wedding. And I have to bring my boyfriend--the boyfriend who doesn't exist because I'm straight. At least, I think I am. Meeting the guy I'm bribing to be my boyfriend for the weekend makes me

Read Free My Fake Boyfriend Is Better Than Yours Kristina Springer

question everything about myself. Damon When my sister asks me to pretend to be some straight guy's boyfriend, my automatic response is to say no. It's because of guys like him people don't believe me when I tell them I'm gay. But Maddox has something I need. After an injury that cost me my baseball career, I'm trying to leave my playing days behind and focus on being the best sports agent I can be. Forty-eight hours with my sister's best friend in exchange for a meeting with a possible client. I can do this. I just wish he wasn't so hot. Or that he didn't kiss like he means it. Wait ... why is the straight guy kissing me? *Fake Out is a full-length MM novel with a HEA/HFN and no cliffhanger.*

An unusual arrangement. Secrets from the past. Will the mountain lion get to keep his prey? Liam O'Connell is not anyone's boyfriend. He's not really a barista. And he's (probably) not a shifter. Liam works as a host at the mysterious Caf é Seuil in Portland, OR, where he helps clients live out their fantasies for a price. Nathaniel Lawrence should be the first in line to take over as CEO of his father's company. A broken engagement and a misunderstanding puts all of that in jeopardy. When a career-making opportunity falls into his lap, Nate needs someone to pretend to be the partner he's lied about. He finds the perfect little morsel to play the part, but as the charade comes to the end, will long buried secrets cost him everything? The Fake Boyfriend is a steamy M/M paranormal romance between a mountain lion shifter and his prey. If you like fated mates, fake relationships, and a little bit of magic in your romance, pick up the second book in the Men of Caf é Seuil series today!

A NATIONAL BESTSELLER * A NEW YORK TIMES BOOK REVIEW EDITORS ' CHOICE "An invigorating work, deadly precise in its skewering of people, places and things . . . Stylish, despairing and very funny, Fake Accounts . . . adroitly maps the dwindling gap between the individual and the world." —Katie Kitamura, The New York Times Book Review A woman in a tailspin discovers that her boyfriend is an anonymous online conspiracy theorist in this “ absolutely brilliant take on the bizarre and despicable ways the internet has warped our perception of reality ” (Elle, One of the Most Anticipated Books of the Year). On the eve of Donald Trump's inauguration, a young woman snoops through her boyfriend's phone and makes a startling discovery: he's an anonymous internet conspiracy theorist, and a popular one at that. Already fluent in internet fakery, irony, and outrage, she's not exactly shocked by the revelation. Actually, she's relieved--he was always a little distant--and she plots to end their floundering relationship while on a trip to the Women's March in DC. But this is only the first in a series of bizarre twists that expose a world whose truths are shaped by online lies. Suddenly left with no reason to stay in New York and increasingly alienated from her friends and colleagues, our unnamed narrator flees to Berlin, embarking on her own cycles of manipulation in the deceptive spaces of her daily life, from dating apps to expat meetups, open-plan offices to bureaucratic waiting rooms. She begins to think she can't trust anyone--shouldn't the feeling be mutual? Narrated with seductive confidence and subversive wit, Fake Accounts challenges the way current conversations about the self and community, delusions and gaslighting, and fiction and reality play out in the internet age.

WANTED: One (fake) boyfriend Practically perfect in every way Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything. To clean up his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material. Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened. But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get used to someone. Start falling for them. Don't ever want to let them go. Discover the LGBT

Read Free My Fake Boyfriend Is Better Than Yours Kristina Springer

romance about exact opposites falling in perfectly imperfect love that New York Times and USA Today bestselling author CHRISTINA LAUREN calls "hilarious, witty, tender, and stunning."

OllieWord of advice: don't come out to random guys in public restrooms. Even if they're charming and adorably nerdy and offer to help. My family believe I can't be happy if I'm not out to the world. I have a bitter ex-boyfriend and an unstable NHL career to show for it. A fake boyfriend seems like an easy and quick solution to get my family off my back, and this guy is volunteering. I take him up on it without asking his name. I really should've asked for his name. LennonWord of advice: learn how to introduce yourself properly. In my defense, I don't recognize Ollie Strömberg right away. I cover football, not hockey. I'm not supposed to see him again, and he's never supposed to find out I'm a reporter. That all changes when my editor reassigns me. It's a lesson I should've learned by now. Nothing's changed since high school. Jocks still hate nerds. But even worse, athletes hate journalists. Especially ones who know their secret. *Deke is a full-length MM novel with a HFN/HEA and no cliffhanger*
