Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, **No Longer at Ease** concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God.

Chinua Achebe has long been regarded as Africa ' s foremost writer. In this major new study, Jago Morrison offers a comprehensive reassessment of his work as an author, broadcaster, editor and political thinker. With new, historically contextualised readings of all of his major works, this is the first study to view Achebe ' s oeuvre in its entirety, from Things Fall Apart and the early novels, through the revolutionary Ahiara Declaration – previously attributed to Emeka Ojukwu – to the revealing final works The Education of a British Educated Child and There Was a Country. Contesting previous interpretations which align Achebe too easily with this or that nationalist programme, the book reveals Achebe as a much more troubled figure than critics have habitually assumed. Authoritative and wide-ranging, this book will be essential reading for scholars and students of Achebe ' s work in the twenty-first century.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and **No Longer at Ease**.

In this fast-paced, semi-autobiographical novel, Head exposes the complicated life of Elizabeth, whose reality is intermingled with nightmarish dreams and hallucinations. Like the author, Elizabeth was conceived out-of-wedlock; her mother was white and her father black—a union outlawed in apartheid South Africa. Elizabeth eventually leaves with her young son to live in Botswana, a country less oppressed by colonial domination, where she finds stability for herself and her son by working on an experimental farm. As readers grow to know Elizabeth, they experience the inner chaos that threatens her stability, and her constant struggle to emerge from the torment of her dreams. There she is plagued by two men, Sello and Dan, who represent complex notions of politics, sex, religion, individuality, and the blurred line between good and evil. Elizabeth ' s troubling but amazing roller-coaster ride ends in an unfettered discovery.

Collects three of the author's novels, all inspired by the tragedies faced by the Igbo people during the European colonization of Africa.

The more Chike saw the ferry-boats the more he wanted to make the trip to Asaba. But where would he get the money? He did not know. Still, he hoped. Eleven-year-old Chike longs to cross the Niger River to the city of Asaba, but he doesn ' t have the sixpence he needs to pay for the ferry ride. With the help of his friend S.M.O.G., he embarks on a series of adventures to help him get there. Along the way, he is exposed to a range of new experiences that are both thrilling and terrifying, from eating his first skewer of suya under the shade of a mango tree, to visiting the village magician who promises to double the money in his pocket. Once he finally makes it across the river, Chike realizes that life on the other side is far different from his expectations, and he must find the courage within him to make it home. Chike and the River is a magical tale of boundaries, bravery, and growth, by Chinua Achebe, one of the world ' s most beloved and admired storytellers.

Chinua Achebe is Africa's most prominent writer, the author of Things Fall Apart, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in Home and Exile, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. Home and Exile is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind, told in the words of one of this century's most gifted writers.

Chris, Ikem and Beatrice are three like-minded friends working under the military regime of His Excellency, the Sandhurst-educated President of Kangan. In the pressurized atmosphere of oppression and intimidation they are simply trying to live and love - and remain friends. But in a world where each day brings a new betrayal, hope is hard to cling on to.

From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts—and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, A Man of the People is an essential part of Achebe ' s body of work.
