Fresh out of college, Aggie Milliken thinks she's prepared for anything life can throw her way. Think again, Aggie! After the abrupt loss of her sister and brother-in-law, Aggie is stunned to find herself the sole guardian of their eight lively children. What she has going for her is grit, a double dose of determination, and the confidence that this is exactly where the Lord wants her to be. With an unlimited P-mail account and enough hymns to keep her spirits bolstered, she tackles one catastrophe after another. It seems like nothing Aggie does is right, but ready or not, here she comes!

Lindsey Bennett, owner of the restaurant, "Let's Do Lunch," finds her employees have no mercy when she is forced to temporarily turn over management to her sister while caring for her injured mother. Then the men in her life present problems and threats.

Marriage has been good to Aggie. After a few years and a baby under her belt, she's ready to take on anything--including adding child number ten to the home! Blessings aren't always easy, and Aggie is about to discover that in a whole new way! So, Aunt Aggie has to "knuckle down" and "ante up" to keep from losing ALL her marbles. When Aggie and crew return home after a month away, all she wants is to settle in and get back into a regular routine. She has just eight weeks until the baby comes, and enough plans to keep her busy for eighteen. But when new and unwelcome surprises greet them upon arrival, her plans are derailed once more. The children are growing up and the struggle is real. Local girls are on the prowl, and potential boyfriends abound. Little Ronnie has decided who rules the roost, and it's not his parents! Cari and Lorna appear to be in the middle of a role reversal, and even Ellie is making questionable choices. Tina and William can't stop fighting, much to the dismay of everyone. Add in the stress of getting ready for Thanksgiving and Christmas, and it all threatens to break her. Luke wonders what happened to his wife. Aggie wonders what happened to her life. Faith, family, and a frenetic life collide in his last book of the Aggie Series.

Alexa Hartfield. Author, local celebrity, fashion connoisseur. She chose Fairbury for its close proximity to Rockland, its small town atmosphere, and its low crime rate. Then someone made her life a literary cliché. A mysterious accident with a light bulb sparked an interesting idea for her latest novel and for Fairbury's new serial killer. The first replication infuriated her. The second left an even worse taste in her mouth. The third blasted more than her self-confidence, and the fourth beat her down so far she's considering giving up writing completely. Who is killing Fairbury's citizens, and furthermore, why and how are they using her novels to do it?

Michelle Aguilar's inspiring story goes beyond her grand-prize victory on the immensely popular *The Biggest Loser*. *Becoming Fearless* is about having faith in God when you've lost faith in yourself. It is an encouragement to "feel the fear" in any obstacle in life without being paralyzed by it. Finally, it is a story about reconciliation between Michelle and her mother, an exploration of the difficult and freeing work of forgiveness, and a reminder that what you learn on the journey is even more important than the destination.

A thrilling Gothic tale from the author of *Our Castle by the Sea*, shortlisted for the Waterstones Children's Book Prize. 1899. And on the shores of Gosswater Lake, the spirit of another young girl will not rest. Could the ghost of Gosswater hold the key to Aggie's true identity?
