Reclaiming Your Heart by Denise Hildreth Jones
Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does. It is a book about redemption, about hope, about renewal.

Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does.

Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does. It is a book about redemption, about hope, about renewal. Every heart can heal, and each moment is created to bring us closer to that transformative return. Reclaim Your Heart is about finding that moment when everything stops and suddenly looks different. It is about finding your own awakening. And then returning to the better, truer, and freer version of yourself. Many of us live our lives, entrapped by the same repeated patterns of heartbreak and disappointment. Many of us have no idea why this happens. Reclaim Your Heart is about freeing the heart from this slavery. It is about the journey in an out of life's most deceptive traps. This book was written to awaken the heart and provide a new perspective on love, loss, happiness, and pain. Providing a manual of sorts, Reclaim Your Heart will teach readers how to live in this life without allowing life to own you. It is a manual of how to protect your most prized possession: the heart.

Unlike other books on divorce, Living Unbroken takes a deep dive into understanding and overcoming the emotional toll divorce, separation, and the loss of a serious long-term relationship has on a woman ' s well-being. As someone who has walked this path, Tracie Miles leads women on a powerful, life-changing journey that provides much-needed hope, encouragement, and practical guidance for living their best life even if it ' s not the life they once imagined. Her biblically sound approach teaches readers how to trust in God ' s promises and restore their self-confidence and hope for the future.

When we live our lives consciously, universal motifs, archetypes, and timeless patterns emerge through which we discover not only who we are but also why we are deeply connected to all others. This is life's greatest adventure; it is thoroughly described in the world's wisdom traditions. "Mystic Journey" uss a multi-faith approach to reveal the path of the soul; this not a solitary quest but rather a superhighway meant for everyone. As we explore the deeper story of our soul, we also discover that we are living a lifelong process of soul-making, leading us ultimately to personal and collective transformation. Getting to the heart of your soul's story is soul-making. "Mystic Journey" guides readers to: Use their life stories to help solidify their identities. Live with an eternal perspective in mind, and Reclaim their common spiritual heritage. "This is a reminder of Keats' immortal perception that "the world is a vale of soul making" and that the uses of psychology have to do with understanding the soul in transformation." -Stephen Larsen, Ph.D., author of "The Mythic Imagination" and "A Fire in the Mind" -Robert Atkinson's new book offers us a thoughtful and thorough guide to a new kind of heroics... This is a rich read." -Gregg Levoy, author of "Callings: Finding and Following an Authentic Life"

Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy, leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as " curses " and sought to present a new model that reflected the power and wisdom unique to the feminine path. The Book of SHE celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment, and, ultimately, full feminine spiritual Awakening. Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life.

For one year following her painful divorce, Denise Hildreth chronicled every emotion, every new discovery, and every moment of God's unyielding presence. Flying Solo, the diary of that roller-coaster year, begins on the day Denise sat in court to hear a judge end her 13-year marriage and follows her through twelve months of soul-searching, heartbreak, and healing. With vivid stories, raw emotion, and unwavering honesty, Denise opens a window for divorced or divorcing readers to breathe in the fresh air of God's Spirit. For, among many surprises in store for Denise during her first year of flying solo, one of the most startling was this: God desires to be with us through our pain. She writes, "Flying solo isn't about being alone. It is about living a life that may hurt at times, wound at times, betray at times; but there is still an incredible unobstructed view of heaven, and an opportunity to discover God in the middle of it." Readers struggling to stay afloat in the wake of a marriage's end will hear from a fellow traveler that they don't have to settle for treading water . . . they can learn to fly.

This book is written for all who have suffered heartbreak. It is for those troubled by anxiety, depression, loss, grief, questioning their self-worth, caught in addiction or obsessive/compulsive behavior, and struggling to find meaning. While the list is broad in scope, it shares a common theme: The conditions reflect a broken relationship to the core of your being, your own 'healing heart, sacred heart.' For anyone who has struggled with the not enough—not good enough, not pretty enough, not smart enough, not strong enough—and the list goes on, this book is written with you in mind. With 300 years of collective wisdom, the path laid out by the authors is well road-tested and culled to reflect what has been—and continues to be—most effective in their own lives and the lives of those they have helped over the years. Through thought-provoking questions, meditations, self-reflection, and creative practices to choose from, the book offers a process of gradually uncovering the uniqueness of your own heart and soul. This multifaceted approach to healing opens a new path for greater awareness and well-being that lasts. Complementing the The Heart Reconnection Guidebook text is a comprehensive teacher's guide which presents the concept of Heart Reconnection Therapy (HRT) and walks the therapist or counselor through wellness-promoting activities, insightful discussions, and meditations related to the The Heart Reconnection Guidebook text. It is an excellent resource for working with individuals and also with groups. This book is based on the wisdom tradition rather than therapy in the usual sense, as it is based on each participant's self-exploration. There is no specific "agenda," meaning the book or the leader is not taking participants to a predetermined 'right' way to be, but rather creating a context for each person's encounter with their own truth and who they are in the core of their being. Readers and teachers alike will find the wisdom traditions offered within these pages life-changing, self-empowering, and community-building—all for the sake of greater happiness, increased awareness, and sustainable well-being.
