misunderstood. Moreover, this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims. New Testament scholar D. A. Carson sheds light on this important issue with his usual exegetical clarity and theological insight, first by broadly surveying Jesus's biblical name as "the Son of God," and then by focusing on two key texts that speak of Christ's sonship. What would happen if believers truly grasped how the resurrection of Jesus changes not just their own standing with God, but that it changes everything? In the spirit of John Piper's *Fifty Reasons Why Christ Came to Die*, Steven D. Mathewson unpacks the New Testament Scriptures that speak of the reasons Jesus was raised from the dead. In fifty brief chapters, he offers readers faith-filled meditations on the primary passages on the resurrection, taking these ancient truths and applying them to contemporary life. With compelling insight, he shows why Jesus not only had to die, but why his resurrection was necessary and how our lives change when we understand and embrace this essential truth of the Christian faith.
