Days with Katherine bring out a playful side Alex thought long-buried, and nights are filled with passion. As summer wanes, Alex begins to crave something he never has before. But will his secret tear them apart?

Poetry, Latino/Latina Studies, LGBT Studies. "Like Whitman, Quesada is a poet of motion[journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbusts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here!"D. A. Powell.
