Six Wives: The Queens of Henry VIII

No one in history had a more eventful career in matrimony than Henry VIII. His marriages were daring and tumultuous, and made instant legends of six very different women. In this remarkable study, David Starkey argues that the king was not a depraved philanderer but someone seeking happiness -- and a son. Knowingly or not, he elevateda group of women to extraordinary heights and changed the way a nation was governed. Six Wives is a masterful work of history that intimately examines the rituals of diplomacy, marriage, pregnancy, and religion that were part of daily life for women at the Tudor Court. Weaving new facts and fresh interpretations into a spellbinding account of the emotional drama surrounding Henry's six marriages, David Starkey reveals the central role that the queens played in determining policy. With an equally keen eye for romantic and political intrigue, he brilliantly recaptures the story of Henry's wives and the England they ruled.

No one in history had a more eventful career in matrimony than Henry VIII. His marriages were daring and tumultuous, and made instant legends of six very different women. In this remarkable study, David Starkey argues that the king was not a depraved philanderer but someone seeking happiness -- and a son. Knowingly or not, he elevateda group of women to extraordinary heights and changed the way a nation was governed. Six Wives is a masterful work of history that intimately examines the rituals of diplomacy, marriage, pregnancy, and religion that were part of daily life for women at the Tudor Court. Weaving new facts and fresh interpretations into a spellbinding account of the emotional drama surrounding Henry's six marriages, David Starkey reveals the central role that the queens played in determining policy. With an equally keen eye for romantic and political intrigue, he brilliantly recaptures the story of Henry's wives and the England they ruled.

A “ brilliantly written and meticulously researched ” biography of royal family life during England ‘ s second Tudor monarch (San Francisco Chronicle). Either annulled, executed, died in childbirth, or widowed, these were the well-known fates of the six queens during the tempestuous, bloody, and splendid reign of Henry VIII of England from 1509 to 1547. But in this “ exquisite treatment, sure to become a classic ” (Booklist), they take on more fully realized flesh and blood than ever before. Katherine of Aragon emerges as a staunch though misguided woman of principle; Anne Boleyn, an ambitious adventress with a penchant for vengeance; Jane Seymour, a strong-minded matriarch in the making; Anne of Cleves, a good-natured woman who jumped at the chance of independence; Katherine Howard, an empty-headed wanton; and Katherine Parr, a warm-blooded bluestocking who survived King Henry to marry a fourth time. “ Combin[ing] the accessibility of a popular history with the highest standards of a scholarly thesis ”, Alison Weir draws on the entire labyrinth of Tudor history, employing every known archive—early biographies, letters, memoirs, account books, and diplomatic reports—to bring vividly to life the fates of the six queens, the machinations of the monarch they married and the myriad and ceaselessly plotting courtiers in their intimate circle (The Detroit News). In this extraordinary work of sound and brilliant scholarship, “ at last we have the truth about Henry VIII ‘ s wives ” (Evening Standard).

No one in history had a more eventful career in matrimony than Henry VIII. His marriages were daring and tumultuous, and made instant legends of six very different women. What could make him marry six times? In this remarkable new study, David Starkey argues that the king was not a depraved philanderer, but someone seeking happiness -- and a son. Knowingly or not, he empowered a group of women to extraordinary heights and changed the way a nation was governed. Henry took his first bride, Catherine of Aragon, when he was seventeen. They lasted twenty-four years together, but Catherine suffered through many miscarriages and failed to produce a male heir. Henry then fell in love with Anne Boleyn, the mother of Elizabeth I. Their relationship transformed England forever, but Henry had Anne beheaded and married his next wife, Jane Seymour, on the very day of Anne's execution. At last, Seymour gave birth to Henry's longed-for son, Edward VI. What followed was a farcical beauty contest which ended in the King's brief marriage to the "mare of Flanders," Anne of Cleves. Finally, there were the two Catharines: Catherine Howard, the flirtatious teenager whose adulteries made a fool of the aging king and who was the second bride to lose her head; and Catherine Parr, the shrewd, religiously radical bluestocking who outlived him. "Six Wives is a masterful work of history that intimately examines the rituals of diplomacy, marriage, pregnancy and religion that were part of daily life for women at the Tudor Court. Weaving new facts and fresh interpretations into a spellbinding account of the emotional drama surrounding Henry's six marriages, David Starkey reveals the central role that thequeens played in determining policy. With an equally keen eye for romantic and political intrigue, he brilliantly recaptures the story of Henry's wives and the England they ruled.

An abused child, yet confident of her destiny to reign, a woman in a man's world, passionately sexual—though, as she maintained, a virgin—Elizabeth I is famed as England's most successful ruler. David Starkey's brilliant new biography concentrates on Elizabeth's formative years—from her birth in 1533 to her accession in 1558—and shows how the experiences of danger and adventure formed her remarkable character and shaped her opinions and beliefs. From princess and heir-apparent to bastardized and disinherited royal, accused traitor to head of the princely household, Elizabeth experienced every vicissitude of fortune and extreme of condition—and rose above it all to reign during a watershed moment in history. A uniquely absorbing tale of one young woman's turbulent, courageous, and seemingly impossible journey toward the throne, Elizabeth is the exhilarating story of the making of a queen.

Profiles the six marriages of King Henry VIII against the political drama of the Tudor era, tracing his twenty-four-year first marriage to Catherine of Aragon and subsequent whirlwind decade of new brides.

If your school ‘ s homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You ‘ d think being the new girl in a tiny town would equal one very boring senior year. But if you ‘ re me—Anne Marck, alias Cleves—and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he ‘ s the jock, the genius and the brooding bad boy all in one. Which sort of explains why he ‘ s on his sixth girlfriend in two years. What it doesn ‘ t explain is why two of them—two of us—are dead. My best friend thinks it ‘ s Henry ‘ s fault, which is obviously ridiculous. My nemesis says we shouldn ‘ t talk about it, which is straight-up sketchy. But as the resident nosy new girl, I ‘ m determined to find out what really happened to Lancaster ‘ s dead queens...ideally before history repeats itself.

(Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.

The visitor's companion to the palaces, castles and houses associated with Henry VIII's six wives

First written by a Tudor scholar in the 1800's, this classic account of The Wives of Henry VIII tells the story of each queen consort, from the time they first met Henry VIII to their (sometimes) early demise. Descriptions of the appearance of Henry VIII and each of the wives, written by their contemporaries, add color to this already vividly descriptive, fascinating book. The twists and turns of Henry's marriage to Katharine of Arragon, the rise and spectacular fall of the beautiful Ann Boleyn, and the reason for her demise (the affair with Jane Seymour) are all wonderfully told. Readers with an inkling of sympathy for the first three will smile at the vivid account of Henry VIII's eager anticipation at meeting his fourth wife (Anne of Cleves, who had arrived through an arranged marriage), and his consternation at finding her looks to be really quite plain. Anne of Cleves was also apparently less than thrilled with the arrangement, and managed to save her head by graciously agreeing to divorce after only six months. Unfortunately Cromwell and another gentleman who was intimately involved in arranging that marriage, weren't so lucky. Henry VIII's marriage to the young and beautiful Katharine Howard, though incredibly happy in the beginning, didn't last long. In a fit of jealousy, the king sent her to the chopping block after only 16 months. Like Ann Boleyn, she met her fate graciously-even spending hours the night before her execution practicing how best to lay her head on the block! The Wives of Henry VIII also tells the story of the final of Henry's three Katharines (Katharine Parr), who, being tipped off about the King's violent intentions towards her, narrowly escaped execution by taking her way back into his good graces. All in all, a spectacular tale with details sure to enthrall any student of the House of Tudor.
