Kierkegaard, and Nietzsche. Access to the complete content on Very Short Introductions online requires a subscription or purchase.

4. Socrates and later philosophy - Very Short Introductions

As well as a historical person and a literary persona, Socrates is an exemplary figure, who challenges, encourages, and inspires. The Socratic method of challenging students to examine their beliefs, to revise them in the light of argument, and to arrive at answers through critical reflection on the information presented goes far beyond pedagogical strategy.

6. Conclusion - Very Short Introductions
