Teaching For Intercultural Understanding Esa

You can help your child develop intercultural understanding by:

- understanding the influence of your own cultural values, attitudes and beliefs;
- showing interest in and learning about other cultures;
- interacting positively with people from diverse backgrounds;
- talking about the ways that different cultural groups are presented in the media.

Read PDF Teaching For Intercultural Understanding

Researchers from a range of disciplines have been theorising and empirically examining intercultural competence and intercultural education for decades. This review article synthesises the research literature about these concepts around three questions: What is intercultural competence? How can it be developed? And how can it be measured?
