1786, Jerusalem College, Cambridge The ghost of Sylvia Whichcote is rumored to be haunting Jerusalem ever since student Frank Oldershaw claimed to have seen the dead woman prowling the grounds and was locked up because of his violent reaction to these disturbed visions. Desperate to salvage her son's reputation, Lady Anne Oldershaw employs John Holdsworth, author of The Anatomy of Ghosts--a stinging account of why ghosts are mere delusion--to investigate. But his arrival in Cambridge disrupts an uneasy status quo as he glimpses a world of privilege and abuse, where the sinister Holy Ghost Club governs life at Jerusalem more effectively than the Master, Dr. Carbury, ever could. And when Holdsworth finds himself haunted--not only by the ghost of his dead wife, Maria, but also by Elinor, the very-much-alive Master's wife--his fate is sealed. He must find Sylvia's murderer, or else the hauntings will continue. And not one of this troubled group will leave the claustrophobic confines of Jerusalem unchanged. CWA Cartier Diamond Dagger winner Andrew Taylor returns with an outstanding historical novel that will simultaneously keep the reader riveted, and enchant with its effortless elegance.

The Anatomy of Ghosts is a gripping historical mystery from the bestselling author of The Ashes of London 1786, Jerusalem College, Cambridge. The ghost of murdered Sylvia Whichcote is sighted prowling the grounds by commoner Frank Oldershaw. Worried her son is descending into madness, Frank's anxious mother employs rationalist John Holdsworth to investigate the sighting, throwing the uneasy status quo at the college into chaos. For the sinister Holy Ghost Club governs the privileged life at Jerusalem. Pursued by the ghost of his dead wife, Maria, and Elinor, the very-much-alive Master's wife, Holdsworth must unravel the circumstances surrounding Sylvia's death or succumb to the hauntings himself . . .

1786, Jerusalem College Cambridge. The ghost of Sylvia Whichcote is rumoured to be haunting Jerusalem since disturbed fellow-commoner, Frank Oldershaw, claims to have seen the dead woman prowling the grounds. Desperate to salvage her son's reputation, Lady Anne Oldershaw employs John Holdsworth, author of The Anatomy of Ghosts - a stinging account of why ghosts are mere delusion - to investigate. But his arrival in Cambridge disrupts an uneasy status quo as he glimpses a world of privilege and abuse, where the sinister Holy Ghost Club governs life at Jerusalem more effectively than the Master, Dr Carbury, ever could. And when Holdsworth finds himself haunted - not only by the ghost of his dead wife, Maria, but also Elinor, the very-much-alive Master's wife - his fate is sealed. He must find Sylvia's murderer or the hauntings will continue. And not one of them will leave the claustrophobic confines of Jerusalem unchanged.

James wasn't much more than a child when he had an affair with Lily. And now, twenty-four years later, Lily confesses to James that their affair led to a daughter, Kate. And Kate desperately needs her father's help: she's wanted for murder. But there is no room for murder in James' life. He has a wife, a good job, a nice house in the country.

'Andrew Taylor is a master story-teller' Daily Telegraph From the No.1 bestselling author of The Ashes of London and Fire of Court, this is the first instalment in the acclaimed Lydmouth series Workmen in the small market town of Lydmouth are demolishing an old cottage. A sledgehammer smashes into what looks like a solid wall. Instead, layers of wallpaper conceal the door of a locked cupboard which holds a box - and in the box is the skeleton of a young baby. Items within the box suggest that the baby was entombed early in the nineteenth century, but when another man is also found dead, the evidence suggests that the baby's death is more recent and that a killer is on the loose. For Journalist Jill Francis, newly arrived from London, this looks like her first story to chase ... 'The most under-rated crime writer in Britain today' Val McDermid 'Captures perfectly the drab atmosphere and cloying morality of the 1950s' . . . Taylor is an excellent writer. He plots with care and intelligence and the solution to the mystery is satisfyingly chilling'The Times 'There is no denying Taylor's talent, his prose exudes a quality uncommon among his contemporaries' Time Out 'Andrew Taylor is a master story-teller' Daily Telegraph

If Philippa Penhow hadn't gone to Bleeding Heart Square on that January day, you and perhaps everyone else might have lived happily ever after . . . It's 1934, and the decaying London cul-de-sac of Bleeding Heart Square is an unlikely place of refuge for aristocratic Lydia Langstone. But as she flees her abusive marriage, there is only one person she can turn to--the genteelly derelict Captain Ingleby-Lewis, currently lodging at Number 7. However, unknown to Lydia, a dark mystery hunts the decrepit building. What happened to Miss Penhow, the middle-aged spinster who owns the house and who vanished four years earlier? Why is a seedy plain-clothes policeman obsessively watching the square? What is making struggling journalist Rory Wentwood so desperate to contact Miss Penhow? And why are parcels of rotting hearts being sent to Joseph Serridge, the last person to see Miss Penhow alive? Legend has it the devil once danced in Bleeding Heart Square--but is there now a new and sinister presence lurking in its shadows? Bleeding Heart Square is Andrew Taylor's most compelling mystery yet.

The first book in the No. 1 Times bestselling series 'This is terrific stuff' Daily Telegraph 'A breathtakingly ambitious picture of an era' Financial Times 'A masterclass in how to weave a well-researched history into a complex plot' The Times

WINNER of the Ellis Peters Historical Dagger Award 2013 'Andrew Taylor wrote superb historical fiction long before Hilary Mantel was popular' Daily Telegraph From the No.1 bestselling author of THE AMERICAN BOY comes a new historical thriller set during the American War of Independence.

Imagine that you've inherited a house of spirits. Now imagine that the house wants you dead. For Jon and Carlie Summers, the nightmare begins when they move into an inherited home in rural Iowa. Leaving behind their busy lives in Chicago, Jon and Carlie are dragged into a horrifying spiral of violent dreams, illnesses, and possessions. Uncovering a vast evil hidden for decades in crates of buried journals, Jon and Carlie are forced to relive the sinister history of the house and its legacy of abuse, denial, and obsession. Anatomy of a Haunting is a terrifying true story about one house and its inhabitants who have been pushed to the brink of insanity and death. Through interviews and exhaustive research into the 150-year-old McPherson house, author Lee Strong delves into the history of the haunting and paints a nightmarish picture of one couple's descent into supernatural madness. Praise: "Light a white candle before reading this book--and after you've finished. Anatomy of a Haunting is truly terrifying." --Annie Wilder, author of House of Spirits and Whispers and Trucker Ghost Stories
