"[A] colorful cast of luminaries and rogues . . . This biography provides an intriguing glimpse into the beginnings of computer science and a reminder that character is destiny."Wall Street Journal Known in her day as an "enchantress of numbers," Ada Byron, Lady Lovelace, daughter of the poet Lord Byron, was one of the most fascinating women of the 19th century. In collaboration with Charles Babbage, inventor of the mechanical "thinking machine" that anticipated by more than a century the invention of the computer, Ada devised a method of using punch cards to calculate Bernoulli numbers and thus became the mother of computer programming. It was in her honor that, in 1980, the U.S. Department of Defense named its computer language "Ada." In this critically acclaimed biography, Benjamin Woolley, author of The Queen's Conjuror, portrays Ada Byron's life as the embodiment of the schism between the worlds of romanticism and scientific rationalism. He describes how Ada's efforts to bridge these opposites with a "poetical science" was the driving force behind one of the most remarkable careers of the Victorian Age.

One woman...Two hot guys...A galaxy of problems Kat O'Connor is no pushover. She's a no nonsense girl with a commonsense approach to life. But there's nothing common about what's happening to her lately... Kat is being Sought Kat O'Connor is no pushover. She's a no nonsense girl with a commonsense approach to life. But there's nothing common about what's happening to her lately... First she was forced to have a kinky mind ménage with two of the hottest and most irritating men in the galaxy--Twin Kindred warriors, Deep and Lock--in order to locate her kidnapped friend. Then she couldn't get their feelings out of her head. And now she's on her way to their home planet, Twin Moons, to find a cure for the debilitating illness their unorthodox joining caused, when all she really wants to do is go home. Lock's Tight, the light twin of the two, is already in love with Kat. Her curvy plus-sized body is the epitome of beauty on his home planet and her sharp mind makes her doubly attractive. But though he fell for her the moment he saw her, Twin Kindred are unable to mate a woman alone. Lock knows nothing can happen between them without his brother... Stabs Deep. The dark twin has a secret agony in his past--a tragedy he feels he and he alone is to blame for. He too, hungers for Kat, but he hides his fear of rejection behind an impenetrable wall of angry sarcasm. For if he lets anyone get too close, the unbearable pain he has already endured once may happen again. Now Kat and her twin warriors are on a quest--but they're all looking for different things. Kat wants to find a way to dissolve the half-formed bond between them so she can be alone in her own head again. Lock wants to convince both her and his brother to complete the bond which will keep them together forever. And Deep is trying to protect his heart and love Kat from afar...though it grows more and more difficult to deny the hunger he feels for her growing inside him. Their travels will take them from the uncharted wilds of Twin Moons to the Deadworld of the Scourge home planet. Will Kat find a cure for having other people's emotions crowding her mind? Will Lock convince his brother and the woman they both love that they're all meant to be together forever? And will Deep ever unshield his heart long enough to let Kat in? You'll have to read Sought, the third book in the Brides of the Kindred series, to find out...

Brides of the Kindred-- A race of Genetic Traders from beyond the stars. Three very different types of Alpha males all focused on one thing...claiming their brides In all their years of travel the Kindred have come across only three worlds with species close enough to their own to initiate a trade. Earth is the fourth. Olivia Waterhouse is about to be Claimed.

On his planet, husbands own their wives. Julie is desperate to travel to Tarrkua and join her sister--the only family she has left in this universe. But to reach the distant alien planet, she must assume the identity of another Earth woman who's supposed to marry a Tarrkuan. Can she pull off the switch without her new alien husband learning of her deceit? After years spent in the asteroid mines, Varro returns to his home planet only to discover his betrothed has married another. Angry and hurt, he vows to never trust another female again, though he knows he must fulfill his duties to his people and procreate as soon as possible. Now he must take the human bride who's offered to him--a stranger from Earth, no less. But warmth fills him the moment he first glimpses his little bride, and her sweet demeanor soon wins him over. Perhaps an arranged marriage to a human is what the Gods had intended for him all along. Once Julie and Varro are married, he takes her home and claims her thoroughly, leaving no doubt in her mind that she now belongs to him. He also informs her that he's more than her husband--he's also her master--and she's expected to obey his every command. When she's naughty, he doesn't hesitate to apply a sturdy leather strap to her bottom. But he also possesses a gentler side and she can't help falling for the strict but loving alien. She also can't help but shudder in ecstasy as he claims her roughly, time and time again, leaving her breathless and trembling for his masterful touch. But all lies eventually unravel. What will Varro do when he learns of her deceit?

A RUNAWAY BRIDE Grace Marshall fled the church moments before her ceremony, leaving her twin sister buttoned into the wedding dress. A risky move for a good reason, and now she has to deal with the fallout. She expects the town and her family to be angry, but not this cowboy she just met. Who is he to judge? WITH SECRETS TO HIDE Horse trainer Mike Torres Thompson fabricated new identities for his siblings in order to keep them together after their parents died. Different location, different names, different lives. Once these last two kids are on their feet--and those feet moving out his door, he can pursue his own dream of a ranch for abused horses. Then he meets Grace, and all his carefully-formed plans run away like a mustang. Or a bride. Neither denies their physical attraction, but love? Can the runaway bride and the responsible family man overcome their pasts and learn to trust? Will they be able to take a leap of faith toward a future together? ----- Author's note: While this is the second book in the series, it can be read at any time as a stand alone. I hope you enjoy them all, in whatever order you read them. AD 1215: The year of Magna Carta - and Robin Hood's greatest battle The yoke of tyranny King John is scheming to reclaim his ancestral lands in Europe, raising the money for new armies by bleeding dry peasants and nobles alike, not least the Earl of Locksley - the former outlaw Robin Hood - and his loyal man Sir Alan Dale. The call to arms As rebellion brews across the country and Robin Hood and his men are dragged into the war against the French in Flanders, a plan is hatched that will bring the former outlaws and their families to the brink of catastrophe - a plan to kill the King. The roar of revolution England explodes into bloody civil war and Alan and Robin must decide who to trust - and who to slaughter. And while Magna Carta might be the answer their prayers for peace, first they will have to force the King to submit to the will of his people . . .

There are a million ways to end up in the Alien Bride Lottery. But all it takes is one. Every unmarried female human over the age of twenty-one gets entered once a year. You can also accept extra entries for legal infractions--instead of paying a parking fine, for example, you can request an extra entry. Lots of women do that. I mean, why not? The chances are astronomical that your name will get chosen to be one of the hundred or so women who get shipped off to space every year. And even if your name is drawn, the odds are slim that you'll match up with an alien who's looking for a mate. Most of the lottery-drawn women come back to Earth every year and resume their lives as if nothing changed. But some don't. And no matter what, getting drawn in the Lottery means you have to compete in the Bride Games. Guess that's where I'm heading now. I only hope I can avoid catching the eye of one of the giant, rainbow-hued brutes whose mission is to protect Earth--and who can claim me as a mate. All because I was Entered in the Alien Bride Lottery... Fans of Grace Goodwin, Laurann Dohner, and Ruby Dixon will love this steamy new series featuring gorgeous, bright alien heroes and the sassy human women they choose as mates! Every book in the Khanavai Warrior Bride Games series is a standalone romance. Join these brides as they find a whole new world of happily ever afters. Buy now for hot alien romance!

Nothing could have prepared her for the general... Isolde Fenner had big dreams, but surprisingly enough, the universe was even bigger. Curvy and confident, she set out on her first intergalactic mission as a scientist from Earth, studying alien species. But she didn't even get to step foot on her shuttle when everything was turned upside down. The most powerful man in the world wanted her. Her. And despite knowing better, she wanted him... Diego Grothan is undefeated. Body, mind, soul, there is no one stronger than the Brion general, one of the most feared men in the universe. But even he finds himself on the brink of destruction when a human woman calls to him like nothing else. She is his. She simply doesn't know it yet. Thrust into intrigue, war and hunted by enemies hiding behind veils, Diego must prove himself not only to his new bride, but the universe at large. It is no easy feat, but he is, after all, undefeated... Will Isolde give into the enigmatic and mouthwateringly hot alien warrior or will fate make the decision for her? Find out in this sexy, steamy, heartwrenching full-length standalone sci-fi novel with a guaranteed HEA! It can be read as a standalone and has no cliffhangers!
