Geographic Body Worlds (Au0026 Other Forever Corpses) **The Corpse Exhibition And Other**

Blending shocking realism with flights of fantasy, *The Corpse Exhibition* offers us a pageant of horrors, as haunting as the photos of Abu Ghraib and as difficult to look away from, but shot through with a gallows humor that yields an unflinching comedy of the macabre. Gripping and hallucinatory, this is a new kind of storytelling forged in the crucible of war.

The Corpse Exhibition is an exhausting book. But it's also exciting, in the way that, say, items saved from a burning building are exciting—because they've survived, and because they still smell like fire. Hassan Blasim is an Iraqi living in Finland. The Corpse Exhibition is his first collection of short stories to be published in America. (The stories were originally written in Arabic but the translation, by Jonathan Wright, feels so colloquial and brash that you forget it's a translation ...
