The Kingdom Beyond The Waves is Stephen Hunt's third novel, set in the same universe as The Court of the Air. Amelia Harsh is a female Indiana Jones if there ever was one, and this novel is a rollicking steampunk adventure that will hook readers for one dynamite ride.

The Kingdom Beyond the Waves (Jackelian World): Hunt...  
The Kingdom Beyond the Waves is an absolute improvement on the first book in Hunt's steampunk series. Gone is the untamed mess of ideas and characters and storylines; in its place is a streamlined, two-pronged adventure that comes together without confusion in the end. It's still ambitious and epic, but in a much more focused, precise way.

The Kingdom Beyond the Waves (Jackelian, book 2) by ...  
The Court of the Air was a massive undertaking that established the Jackelian universe and all its idiosyncracies. A fantastic tale in its own right, a lot of that book was devoted to building a world where Hunt's innovative and offbeat characters and systems could properly function and be understood. Not so with the The Kingdom Beyond the Waves.

The Jackelian Series is a series of Science Fantasy novels written by English author Stephen Hunt. The Series is comprised of The Court Of The Air, The Kingdom Beyond the Waves, The Rise of the Iron Moon, Secrets of the Fire Sea, Jack Cloudie and From the Deep of the Dark. All the novels are set in the same universe, but with a rotating cast of characters in each book.

Jackelian Series (Literature) - TV Tropes  
Stephen Hunt's jackelian series is a fantastically imagined world, blending steampunk, Verne and Mievilleian themes throughout. Great characters, exciting stories and cliffhanger moments throughout. Almost cinematic in the visuals the story conjures, its a worthy follow-up to the Court of the Air, but with a more Indiana Jones-style heroine and the return of the mick-craven Commodore Black.

The Kingdom Beyond the Waves: Amazon.co.uk: Hunt, Stephen...  
The main characters are Jack Keats, a young thief pressed into service with the Jackelian airship fleet, and Jared Black. The commodore is being blackmailed into helping the high fleet by the Kingdom's secret police, the State Protection Board. The title of the sixth book, published in February 2012, is From the Deep of the Dark. While appearing as guest of honour at the 2010 Forum Fantastico, Portugal's national science fiction convention, Hunt described his sixth book as primarily a spy ...

The Kingdom Beyond the Waves by Stephen Hunt - FictionDB  
The world is littered with the ruins and relics of what has gone before, and mankind shares their kingdoms with genetically mutated humans, imported alien species and a wise race of self-evolving robots, the steammen. The Kingdom of Jackelia (the UK as it was) is beset on all sides by its enemies, domestic and foreign.
