Yukio Mishima's *The Temple of the Golden Pavilion* is a meditation on the relationship between words and action, beauty and ugliness, and Being and nothingness. In this book, which is one of Mishima's best novels, these themes are treated with considerable patience and depth, giving readers great insight into the philosophical issues that preoccupied Mishima for the entirety of his writing career; all the way up to his own ritual suicide by seppuku in 1970.

Generally regarded both in Japan and in the West as his most successful novel, THE TEMPLE OF THE GOLDEN PAVILION brings together all Mishima's preoccupations with violence, desire, religious life and the history of his own nation.

Because of the boyhood trauma of seeing his mother make love to another man in the presence of his dying father, Mizoguchi becomes a hopeless stutterer. Taunted by his schoolmates, he feels utterly alone until he becomes an acolyte at a famous temple in Kyoto, where he develops an all-consuming obsession with the temple's beauty. This powerful story of dedication and sacrifice brings together Mishima's preoccupations with violence, desire, religion and national history to dazzling effect.

Bringing together Mishima's preoccupations with violence, desire, religious life and the history of Japan, this novel is based on an actual incident, the burning of a celebrated temple. The novel is a meditation on the state of Japan in the post-war period.

The son of a poor rural priest becomes an acolyte at the Temple of the Golden Pavilion. Mizoguchi had built up an image of ideal beauty in his mind based on this Golden Pavilion; this ideal image causes him to feel disappointed in any supposed form of beauty, even the actual physical Golden Pavilion. He comes under the influence of Kashiwagi, a fellow student with a very bitter view of life.

Mizoguchi has been mentally troubled since he witnessed his mother's infidelity in the presence of his dying father. Mizoguchi feels utterly abandoned and alone until he becomes a pdest at Kinka-kuji, a famous Buddhist temple in Kyoto. Failing in his quest to find the warmth of human companionship in the temple, the young man, tormented by the temple's exquisite beauty, decides to destroy himself and all he loves. He feels he cannot live in peace as long as the temple exists. Mizoguchi, like many other troubled Mishima heroes, becomes obsessed with unattainable ideals. The Temple of the Golden Pavilion reflects Mishima's preoccupations with beauty and death in a clear and unmistakable manner. It is also an excellent example of a theme that frequently arises in Mishima's work: the resentment of the object of desire. Because this novel, arguably Mishima's best, reflects the author's suicidal tendencies, it also offers us insight into one of the twentieth century's greatest and most complex

Introduction by Donald Keene; Translation by Ivan Morris

Yukio Mishima's *The Temple of Dawn* is the third novel in his masterful tetralogy, *The Sea of Fertility*. Here, Shigekuni Honda continues his pursuit of the successive reincarnations of Kiyooki Matsugae, his childhood friend. Travelling in Thailand in the early 1940s, Shigekuni Honda, now a brilliant lawyer, is granted an audience with a young Thai princess—an encounter that radically alters the course of his life. In spite of all reason, he is convinced she is the reincarnated spirit of his friend Kiyooki. As Honda goes to great lengths to discover for certain if his theory is correct, *The Temple of Dawn* becomes the story of one man's obsessive pursuit of a beautiful woman and his equally passionate search for enlightenment.

the wartime years, and his career as a writer who advocated for traditional values.

Yukio Mishima's *The Decay of the Angel* is the final novel in his masterful tetralogy, *The Sea of Fertility*. It is the last installment of Shigekuni Honda's pursuit of the successive reincarnations of his childhood friend Kiyooki Matsugae. It is the late 1960s and Honda, now an aged and wealthy man, once more encounters a person he believes to be a reincarnation of his friend, Kiyooki – this time restored to life as a teenage orphan, Tōru. Adopting the boy as his heir, Honda quickly finds that Tōru is a force to be reckoned with. The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series: the decay of Japan's courtly tradition; the essence and value of Buddhist philosophy and aesthetics; and, underlying all, Mishima's apocalyptic vision of the modern era.

Half a century after his shocking samurai-style suicide, Yukio Mishima (1925–1970) remains a deeply controversial figure. Though his writings and life-story continue to fascinate readers around the world, Mishima has often been scorned by scholars, who view him as a frivolous figure whose work expresses little more than his own morbid

personality. In *Mishima, Aesthetic Terrorist*, Andrew Rankin sets out to challenge this perception by demonstrating the intelligence and seriousness of Mishima's work and thought. Each chapter of the book examines one of the central ideas that Mishima develops in his writings: life as art, beauty as evil, culture as myth, eroticism as transgression, the artist as tragic hero, narcissism as the death drive. Along with fresh readings of major works of fiction such as *The Temple of the Golden Pavilion* and "Patriotism," the book introduces less familiar works in different genres. Special prominence is given to Mishima's essays, which contain some of his most brilliant writing. Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity, and the decline of strong identities in a world of increasing uniformity and globalization. In his cultural criticism Mishima makes an impassioned defense of free speech, and he rails against all forms of authoritarianism and censorship. Rankin reads Mishima's artistic project, up to and including his spectacular death, as a single, sustained lyric, an aggressive piece of performance art unfolding in multiple media. For all his rebellious energies, Mishima's work is suffused with a sense of ending—the end of art, the end of eroticism, the end of culture, the end of the world—and it is governed by a decadent aestheticism which holds that
