Winner of the 2011 Man Booker Prize By an acclaimed writer at the height of his powers, The Sense of an Ending extends a streak of extraordinary books that began with the best-selling Arthur & George and continued with Nothing to Be Frightened Of and, most recently, Pulse. This intense new novel follows a middle-aged man as he contends with a past he has never much thought about—until his closest childhood friends return with a vengeance, one of them from the grave, another maddeningly present. Tony Webster thought he 'd left all this behind as he built a life for himself, and by now his marriage and family and career have fallen into an amicable divorce and retirement. But he is then presented with a mysterious legacy that obliges him to reconsider a variety of things he thought he 'd understood all along, and to revise his estimation of his own nature and place in the world. A novel so compelling that it begs to be read in a single sitting, with stunning psychological and emotional depth and sophistication, The Sense of an Ending is a brilliant new chapter in Julian Barnes 's oeuvre.

One of the most provocative and original voices in contemporary literature, Chinua Achebe here considers the place of literature and art in our society in a collection of essays spanning his best writing and lectures from the last twenty-three years. He reveals the impediments that still stand in the way of open, equal dialogue between Africans and Europeans, between blacks and whites, but also instills us with hope that they will soon be overcome.

Annotation Achebe writes of the old Africa and the new, tribal warfare and the war that goes on in people's hearts. His story takes place two years after a military coup in the mythical West African state of Kangan, and shows the transformation of a brilliant young.

Conrad's masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. Heart of Darkness is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; Heart of Darkness raises important questions about imperialism and racism. Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.
