Tristes Tropiques (the French title translates literally as "Sad Tropics") is a memoir, first published in France in 1955, by the anthropologist and structuralist Claude Lévi-Strauss. It documents his travels and anthropological work, focusing principally on Brazil , though it refers to many other places, such as the Caribbean and India.

Tristes Tropiques - Wikipedia

Those who know Lévi-Strauss and Tristes Tropiques by reputation only will be pleasantly surprised by the intimate tone that colors even its most precise anthropological sections, as well as the autobiographical passages at the beginning, in which the author recounts how he fell into his career and how, shortly after the Nazis occupied Paris, he was forced to flee to America in a grueling sea voyage. Twenty-five black-and-white photographs of tribespeople, as well as numerous line drawings ...

Tristes Tropiques, by Claude Levi-Strauss is ostensibly a travelogue dealing with Amerindians, their native lands and their society. The actual story is more than discovery and exploration, delving into the mind of the author, a French philosopher. It is ironic that Levi-Strauss bemoans the losses that his subjects have endured when he knows that it is his society that has caused theirs to fade away.
