Twisted (Petra Connor, #2) by Jonathan Kellerman
A Petra Connor book by Jonathan Kellerman. Kellerman skillfully weaves together at least three threads of stories into one overall picture of the life of Petra Connor, one of LAPD's female detectives. Reluctantly assigned a 22-year-old boy genius as an intern doing research for his doctoral thesis, he spots a pattern no one has noticed before.

Hollywood homicide detective Petra Connor has helped psychologist Alex Delaware crack tough cases in the past. And in Jonathan Kellerman's New York Times best seller Billy Straight, she took the lead in the desperate hunt for a teenage runaway stalked by a vengeful murderer. Now the complex and wryly compassionate Petra is once again at the center of the action, in a novel of cunning twists and page-turning suspense.

When a brutal murder is scheduled for June 28th, detective Petra Connor must find the serial killer who, so far, has evaded the police.

TWISTED is the second Petra Connor novel and a superb example of Jonathan Kellerman's mastery of the psychological thriller Detective Petra Connor is struggling with a baffling drive-past murder when Isaac Gomez, a young research prodigy, tells her he's found something she might want to see. His theory that there's a connection between six unsolved murders committed in the LAPD area over the past six years, all at around midnight on June 28, seems fanciful at first - but soon the links become clearer. Something evil has managed to conceal itself between the dry pages of the files: a series of killings so meticulously constructed that the mind behind them would have remained invisible without Isaac's sharp probing. And June 28 is just a month away - will Petra be able to stop the murderer from striking again?

When twelve-year-old Billy Straight, a runaway struggling to survive L.A.'s most dangerous streets, becomes the sole eyewitness to a brutal murder, he becomes the target of the media, bounty hunters, and a killer, as L.A.P.D. homicide detective Petra Connor races against time to save his life.

In Jonathan Kellerman's gripping novels, the city of Los Angeles is as much a living, breathing character as the heroes and villains who roam its labyrinthine streets. Sunny on the surface but shadowy beneath, this world of privilege and pleasure has a dark core and a dangerous edge. In True Detectives, Kellerman skillfully brings his renowned gifts for breathless suspense and sharp psychological insight to a tale that resonates on every level and satisfies at every turn. Bound by blood but divided by troubles as old as Cain and Abel, Moses Reed and Aaron Fox were first introduced in Kellerman's bestselling Bones. They are sons of the same strong-willed mother, and their respective fathers were cops, partners, and friends. Their turbulent family history has set them at odds, despite their shared calling. Moses:part Boy Scout, part bulldog, man of few words:is a no-frills LAPD detective. Aaron, sharp dresser and smooth operator, is an ex-cop turned high-end private eye. Usually they go their separate ways. But the disappearance of Caitlin Frostig isn't usual. For Moses, it's an ice-cold mystery he just can't outrun, even with the help of psychologist Alex Delaware and detective Milo Sturgis. For Aaron, it's a billable-hours bonanza from his most lucrative client. Like it or not, Moses and Aaron are in this one together:and the rivalry that rules them won't let either man quit till the case is cracked. A straight-arrow, straight-A student from Malibu, Caitlin has only two men in her life: her sullen single father and her wholesome college sweetheart, who even the battling brothers agree seems too downright upright to be true. Reluctantly tag-teaming in a desperate search for fresh leads, Moses and Aaron zero in on Caitlin's white knight as their primary :person of interest, hoping that, like most people in L.A., he has a secret side. But they uncover more than just a secret as they descend into the sinister, seamy side of the City of Angels after dark, populated by a Hollywood Babylon cast of the glamorous and the damned: a millionaire movie director turned hatemongering eccentric; a desperate Beverly Hills housewife looking for an exit from the fast lane; a heartthrob actor being eaten alive by personal demons; a hooker who's probably seen it all . . . and might just know too much. And at the center, a dead young woman whose downward spiral and brutal end loom over Moses and Aaron like an omen of what may come to be if the dark end of the street claims another lost soul.

Devastated and suspected by the police after the brutal murder of his girlfriend, hospital psychologist Jeremy Carrier finds himself unwittingly engaged in a game of cat and mouse when additional murders take place and clues begin appearing in his mail. 400,000 first printing.

LAPD homicide detective tries to stop a vicious psychopath who's made cold-blood murder his chosen art form.

#1 WASHINGTON POST BESTSELLER
▯ Jonathan Kellerman's novels are an obsession; once started it is hard to quit.▯Orlando Sentinel Tanya Bigelow was a solemn little girl when Dr. Alex Delaware successfully treated her obsessive-compulsive symptoms. Now, at nineteen, Tanya returns with a curious request: that Delaware investigate her aunt's deathbed confession of murder. While Delaware doubts that Patty Bigelow was capable of such a horrific act, he agrees to look into the matter. Armed with only the vaguest details, Delaware and LAPD detective Milo Sturgis retrace Patty's and Tanya's nomadic and increasingly puzzling life. Then a very real murder tears open a terrifying tunnel into the past, where secrets:and bodies:are buried. As the tension mounts, Delaware and Sturgis uncover a tangled history of desperation, vengeance, and death:a legacy of evil that refuses to die. Praise for Obsession
▯The characters are rich, the story's well-plotted and you won't stop reading.▯Boston Herald
▯Filled with Kellerman's psychological insight and action-packed drama.▯Toronto Sun

This thought-provoking and timely book from a #1 New York Times bestselling novelist and noted child psychologist reveals the factors that often lead to explosive and shocking juvenile violence.
▯Ethically and morally, kids are works in progress. Throw in psychopathy and you've got a soul that will never be complete.▯ In this powerful, disturbing book, bestselling author and noted child psychologist Jonathan Kellerman shines a penetrating light on antisocial youth:kids who kill without remorse:asserting that :psychopathic tendencies begin very early in life, as young as three, and they endure.▯ Criticizing our quick impulse to blame violent movies or a :morally bankrupt: society, Kellerman convinces us that it is the kids themselves who need to be examined. Carefully. How do children become cold-blooded killers? Kellerman warns that today's aggressive bully is tomorrow's Mafia don, cult leader, or genocidal dictator. Violently psychopathic youths possess an overriding need for power, control, and stimulation, and all display a complete lack of regard for the humanity of others. He examines the origins of psychopathy and the ever-shifting debate between nurture and nature, offering some controversial solutions to dealing with homicidal tendencies in children. As timely as today's headlines, more gripping than fiction, Savage Spawn is a provocative look at the links between society and biology, children and violence. Kellerman's sobering message will remain with you long after the last page is turned.
BONUS: This edition includes an excerpt from Jonathan Kellerman's Guilt.

From two #1 bestselling masters of crime fiction comes an extraordinary thriller about family, murder, and secrets. It's been more than a year since LAPD detective Jacob Lev learned the remarkable truth about his family, and he's not coping well. He's back to drinking, the LAPD Special Projects Department continues to shadow him, and the memory of a woman named Mai haunts him. And while Jacob has tried to build a bridge to his mother, she remains imprisoned inside her own tattered mind. Then he comes across the file for a gruesome unsolved murder that brings the two halves of his life into startling collision. Finding the killer will take him halfway around the world, to Paris. It's a dangerous search for truth that plunges him into the past. And for Jacob Lev, there is no place more frightening.

The #1 New York Times bestselling author of Countdown returns with a knock-out suspense thriller that pits a mother and son against a killer who's the stuff of nightmares. If you close your eyes, he'll get you. Sophie Dunston knows all too well how dreams can kill. As one of the nation's top sleep therapists, she specializes in the life-threatening night terrors that her ten-year-old son, Michael, suffers from. But she is also an expert in another kind of terror:the kind that can turn a dream life into a living nightmare in the blink of an eye. Someone is watching. He's a shadowy figure from out of her darkest fears and he hasn't forgotten her. In one shocking moment of violence, he'd shattered Sophie's world forever and left her with only one thing to live for: her son. But the nightmare isn't over for Sophie Dunston. It's just begun. He's been waiting. Sophie was supposed to die the first time around, but fate intervened. This time he'll make sure that not even a miracle will save her. It wasn't a miracle that saved Jock Gavin, but it was pretty close. A semiretired hit man, commando, and jack-of-all-deadly-trades, he knows what Sophie is up against:and that she'll need help. But the man he's chosen for the job is as unpredictable as he is dangerous. Matt Royd is a wild card:hard, cool, merciless:and putting him into play changes the game completely. But to whose advantage? Sophie will soon find out. She will have to trust Royd because she has no choices left. Because the bogeyman haunting her dreams is all too real and he's on the hunt again. Because the nightmare he's got planned for Sophie won't end when she wakes up screaming. It won't end. Ever.
