If there's one historical romance author you should be reading, it should be Courtney Milan.

Courtney continues to astound me with her books, and Unclaimed (Turner #2) is yet another amazingly written book by her. And the fact she has a crush on Mho Fho, makes her number one here at Casa de Babblings.

The Turner Series is about the Turner Brothers—Ash, Mark, and Smite (not their full names). They are dimly related in their family history to a duke, but their parents fell on hard times: their father died, and their mother went mad, selling all the family had and giving it away to the poor.
