the most exclusive club in the world, and one that had in 1990 admitted its first black member. More than twenty years after his first historic win, Tiger Woods explores his life with the game, with the Masters tournament itself, about how golf has changed over the past twenty years, and what it was like winning such an event. Woods will also open up about his relationship with father Earl Woods, dispelling previous misconceptions, and will candidly reveal many never-before-heard stories.
