Plex on a ZyXEL
NAS520 – Hewettzone*
I have a NAS 540 and
Page 16/26

Get Free Zyxel Nas 520 540

NAS 520. Time setting gets lost (obviously by empty buffer battery), so no Power On-schedule and automatic /scheduled backup (from 540 to 520) is working correctly. Any idea where to obtain a disassembly/service manual, or how to open the case for access to the main board?

*Network Storage NAS /
Zyxel*

The NAS540 is connected behind an unmanaged switch and has a static IP address assigned by my Google router. Also, I am able to access the 4 HDD through my network and I am able to use the Cloud through network and my phone remotely.
